ANNUAL REPORT
of the
TOWN OF ENFIELD
NEW HAMPSHIRE

Year Ending December

1990

In memory of
Phyllis B. Goodwin

Library Trustee

1975 - 1990

The Town of Enfield honors Phyllis B. Goodwin for her many years of dedicated service as a member of the Enfield Public Library Board of Trustees.

Dedicated to

ROSE B. WELCH

Tax Collector

March, 1963 to December, 1990

Rose devotedly served the Town of Enfield as Tax Collector for over 27 years, until her retirement in December. Her commitment and dedication to the Town will be remembered for many years. Best wishes for the future.

TO THE CITIZENS OF THE TOWN OF ENFIELD

1990 brought a reversal of the growth in building construction of the past few years. Employment was down, creating a greater number of requests for Town assistance.

The town wide property re-valuation has been completed and the abatement requests will be reviewed on an individual basis.

Several new policies have been developed to assist town officials. These include Chain of Command, Purchase Orders, Emergency Response Plan and a Wage/Salary schedule. We have also developed (in some cases re-stated) rules and regulations pertaining to the Transfer Station, the Stump Dump and Shakoma Beach. We also made the decision this year not to pick up commercial rubbish.

One form that you won't receive this year is the Inventory of Taxable Property.

The Selectmen believe twice a year annual billing will decrease the need to borrow. There is a warrant article this year seeking your advice.

During 1990, the Selectmen authorized several studies, namely, Solid Waste Management, Personnel Study, Water Improvements, Enfield Road Map and Community Development Block Grant. Each one is moving forward and we await final reports. Each has a definite impact on the community and we hope to have interested citizens volunteer for anticipated study committees.

This summer the Town hired Patrick Foley as the research intern. The task was to document names and locations of our Class VI Roads. Thanks to Pat, the Selectmen have the information needed to develop a policy on Class VI Roads. He also compiled a listing of the Town's previous Selectmen, dating back to 1776. Due to the tremendous success of the internship program we hope to fund this position again in the future.

We would like to recognize the Enfield Town Volunteers for painting the Huse Park building and benches. The appearance of the park has been greatly improved by their efforts.

In 1988 we formed a Land Conservation Investment Program. This year Walter Paine placed a conservation easement on his 300+ acres on George Hill. The Town appreciates Mr. Paine's participation in this most important program.

The passing of the year has done nothing to alleviate the problems of the over-crowding and liability to the Town of an inadequate Police Department location. This year the Police Facility Study Committee will bring before the Town Meeting some options; our desire is to see a solution to a regrettable situation. Therefore, we ask your support for one of these options.

We would like to take this opportunity to extend our gratitude to Catherine A. Russi for her many years of dedicated service as our Town Treasurer.

Sincerely,

Evelyn L. Palmer
C. James Martel
Donald J. Crate
Enfield Board of Selectmen

STATE OF NEW HAMPSHIRE

GRAFTON S.S.

TOWN OF ENFIELD

To the inhabitants of the Town of Enfield in the County of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the Enfield Elementary School on Tuesday, March 12, 1991 at 10:00 a.m. to act on Articles 1 through 29.

Polls will open at 10:00 a.m. and close at 8:00 p.m.

The business portion of the meeting to act on Articles 8 through 29 will be held at 7:00 p.m., Tuesday, March 12, 1991.

Article 1. To choose by ballot to serve for:

Three years:	One Selectman
	One Library Trustee
	One Recreation Commission Member
	One Trustee of Trust Funds
	One Fire Ward
Two years:	One Treasurer, unexpired term
	One Library Trustee, unexpired term
One year:	One Moderator, unexpired term
	One Tax Collector, unexpired term

Article 2. Pursuant to a petition of not less than 2 percent of the legal voters:

Are you in favor of increasing the Board of Selectmen to five (5) members?

Yes ☐

No ☐

Article 3. Are you in favor of the adoption of the following building code, to be known as the Town of Enfield Building Code, to supplement the building permit ordinance, adopted March 23, 1968 and the building code, adopted March 4, 1975, under this code:

I. The Zoning Board of Adjustment shall perform the functions of the Building Code Board of Adjustment as provided in RSA 673:1 (V);

II. The Board of Selectmen or its designee shall act as the building inspector;

III. The Town hereby adopts the BOCA National Building Code, as recommended and maintained by the Building Officials and Code Administrators International, Inc., 1990, 11th edition.

IV. The penalties shall be as provided in RSA 676 as amended.

This amendment was approved by the Planning Board. This amendment was submitted by the Selectmen.

Yes ☐

No ☐

Article 4. Are you in favor of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Section 400 - Present Section 400 will become Section 400.1; Section 400.2 will be added to read as follows:

400.2: Lots crossed by Town Lines: When part of a lot in single or joint ownership lies outside the Town, the portion within the Town shall conform to the use regulation of the ordinance. In applying dimensional controls to that portion of the lot within the Town, the dimensions of the whole lot shall be considered without reference to the Town Line.

Yes ☐

No ☐

Article 5. Are you in favor of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Section 400 - Present Section 400 will become Section 400.1; Section 400.3 will be added to read as follows:

A lot which lies in two or more districts must have sufficient area within at least one of the districts to meet the minimum lot size of that district. Any structures placed on such a lot, except driveways, fences, mailboxes and stone walls, shall be located only within such zoning district(s).

Yes ☐

No ☐

Article 6. Are you in favor of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Section 401.3, paragraph L: the last two lines to be revised to read:

...however, this provision shall not apply to conventional antennas, lightning rods, cupolas, church steeples, chimneys, silos and windmills. The setback for a windmill shall be at least equal to the height of the structure.

Yes ☐

No ☐

Article 7. Amendment 4. Are you in favor of the adoption of the amendment to the existing Town Zoning Ordinance, titled "Petitioned Amendment to the Zoning Ordinance of Enfield, N.H.," which amendment provides for the election of the Enfield Zoning Board of Adjustment, and was presented to the Board of Selectmen on Monday, December 10, 1990, pursuant to petition by certain legal voters of the Town of Enfield: amendment is as follows:

ARTICLE V

ZONING BOARD OF ADJUSTMENT

500 Creation

The Zoning Board of Adjustment shall have five members in accordance with the provisions of RSA 673:3 and elected in conformity with RSA 673:5. There shall be five alternate members appointed by the Zoning Board of Adjustment. Each member of the Board and each alternate shall be a resident of the Town of Enfield. This section shall take effect March 10, 1992.

This amendment was endorsed by the Planning Board.

Yes ☐

No ☐

Article 8. To see if the Town will vote to raise and appropriate the sum of two hundred and eighty-eight thousand dollars (\$288,000) for the construction and furnishings of a new Police Facilities Building, and to fund such appropriations by authorizing the borrowing of a sum not to exceed \$288,000 in the name of the Town by the issuance of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and amendments thereto; and further, to authorize the Selectmen to determine the time and place of payment and rate of interest of such notes or bonds and to take such other action as may be necessary to effect their issuance and sale. (2/3 paper ballot passage required, polls must be open a minimum of 1 hour.) [10 year tax impact estimate each year beginning in 1992, .19/\$1,000 valuation.]

Article 9. To see if the Town will vote to raise and appropriate the sum of one hundred and seventy-five thousand dollars (\$175,000) for the purchase of an existing structure to be used for a police/municipal building, and to fund such appropriations by authorizing the borrowing of a sum not to exceed \$175,000 in the name of the Town by the issuance of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and amendments

thereto; and further, to authorize the Selectmen to determine the time and place of payment and rate of interest of such notes or bonds and to take such other action as may be necessary to effect their issuance and sale. (2/3 paper ballot passage required, polls must be open a minimum of 1 hour.) [5 year tax impact estimate each year beginning in 1992, .19/\$1,000 valuation.]

Article 10. To see if the Town will vote to raise and appropriate the sum of ninety thousand dollars (\$90,000) for the purchase of a 10-wheeler truck with plow equipment, and to fund such appropriations by authorizing the borrowing of a sum not to exceed \$90,000 in the name of the Town by the issuance of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and amendments thereto; and further, to authorize the Selectmen to determine the time and place of payment and rate of interest of such notes or bonds and to take such other action as may be necessary to effect their issuance and sale. (2/3 paper ballot passage required, polls must be open a minimum of 1 hour.) [5 year tax impact estimate each year beginning 1992, .10/\$1,000 valuation.]

Article 11. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, as provided under RSA Chapter 33.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$118,000 for the following purposes:

Municipal Buildings.....	\$ 22,000
Whitney Hall.....	6,000
Cemetery Land Acquisition.....	50,000
Water Department.....	40,000

and to authorize the withdrawal of these sums from their respective Capital Reserve Funds.

Article 13. To see if the Town will vote to discontinue the Police Cruiser Capital Reserve Fund created in 1965. The fund was created for the purpose of replacement of the police cruiser when necessary. Due to the increased needs of the Town, one cruiser is replaced annually. Said funds, \$229.32, with accumulated interest to date of withdrawal, to be transferred to the Town's general fund to be used to reduce taxes. (Majority vote required.)

Article 14. To see if the Town will vote to discontinue the Tax Mapping Capital Reserve Fund created in 1975. The fund was created for the acquisition of a tax map for the Town. This was accomplished and the map is updated annually. Said funds, \$174.61, with accumulated interest to date of withdrawal to be transferred to the Town's general fund to be used to reduce taxes. (Majority vote required.)

Article 15. To see if the Town will vote to discontinue the Sewerage Study Capital Reserve Fund created in 1972. The sewage study was completed in 1983. Said funds, \$211.44, with accumulated interest to date of withdrawal to be transferred to the Town's general fund to be used to reduce taxes. (Majority vote required.)

Article 16. To see if the Town will vote to discontinue the New Highway Trucks Capital Reserve Fund created in 1978. The fund was created for the purpose of Highway use and to establish a fund for a new Highway truck. Said funds, \$860.93, with accumulated interest to date of withdrawal, to be transferred to the Town's general fund to be used to reduce taxes. (Majority vote required.)

Article 17. To see if the Town will vote to raise and appropriate the sum of \$4,000 for the demolition and rough grading of the property known as the Poullos House. (estimated tax impact of .02/\$1,000 valuation for one year.)

Article 18. To see if the Town will vote to raise and appropriate the sum of \$9,200 for the purchase of 1200 feet of 5 inch hose and adapters for the Fire Department. (estimated tax impact .04/\$1,000 valuation for one year.)

Article 19. To see if the Town will vote to raise and appropriate the sum of \$2,285,440 which represents the bottom line of the posted budget (MS-7) as recommended by the Budget Committee, exclusive of Special Warrant Articles 8, 9, 10, 12, 17, and 18.

Article 20. To see if the Town will vote to adopt the semi-annual collection of taxes method according to RSA 76:15a, and provided by RSA 76:15b. Vote of Town Meeting is advisory only.

Article 21. Pursuant to a petition of twenty-five (25) or more legal voters:

To see if the Town wishes to support the proposed Class VI Highway Policy under consideration by the Board of Selectmen. Vote of Town Meeting is advisory only.

Article 22. To see if the Town will vote to deed to Richard Gordon Dow and Barbara Jean Dow, a certain tract of land, with the spring thereon situate in Enfield, in the County of Grafton and State of New Hampshire, on the easterly side of Baltic Street, conveyed to the Town of Enfield by deed of Richard Gordon Dow and Barbara Jean Dow and William F. Lapan and Georgia K. Lapan dated November 30, 1981 and recorded in the Grafton County Registry of Deeds, Book 1437, Page 245; also identified as Map 37 Lot 19-1. This property was deeded to the Town of Enfield for a public spring. As the water is unfit for drinking, the spring was capped. Richard and Barbara Dow requested return of the land. William Lapan does not want to receive an interest in this property. Georgia Lapan is deceased.

Article 23. To see if the Town will vote to accept and maintain as a public highway "Evenchance Road" as shown on "Subdivision of Evenchance," dated August 1986 and recorded in the Grafton County Registry of Deeds as Plan Number 4106, T&M Surveys, Inc., Project No. 206286, Lebanon, New Hampshire.

Article 24. To see if the Town will vote to accept and maintain as a public highway "Anderson Hill Road" as shown on "Subdivision of Anderson Hill Properties, Enfield, N.H.," dated April 1986, was revised October 14, 1987 and recorded in Grafton County Registry of Deeds as Plan Number 4743, T&M Surveys, Inc., Project No. 199086, Lebanon, New Hampshire; "Annexation Plan Prepared for Anderson Hill Properties" by T&M Associates, Inc., as Project No. 253387A, which plan is dated March, 1989, was revised May 12, 1989, and is recorded in said Registry as Plan Number 5775; and "Subdivision Plan for Anderson Hill Properties, Enfield, N.H." by T&M Associates, Inc., as Project No. 253387, which plan is dated April, 1988, last revised November 27, 1989, and is recorded in said Registry as Plan Number 5949.

Article 25. To see if the Town will vote to authorize the Board of Selectmen to accept the dedication of any street shown on a subdivision plat approved by the Planning Board, provided that such street has been constructed to applicable Town specifications as determined by the Board of Selectmen or their agent.

Article 26. To see if the Town will vote to authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise, by public auction, by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80 and providing that if such property is to be sold at public auction, then the same shall be advertised sixty (60) days in advance of sale and again forty-five (45) days in advance of sale with notice thereof posted in three public places.

Article 27. To see if the Town will vote to authorize the Board of Selectmen to establish or amend fees as provided in RSA 41:9a, for the following purposes: issuance of any license or permit which is part of a regulatory program which has been established by vote of the Town; the use or occupancy of any public revenue-producing facility, as defined in RSA 33-B:1, VI, the establishment of which has been authorized by vote of the Town. Such fees or charges shall not exceed, in the case of licenses or permits, an amount reasonably calculated to cover the Town's regulatory, administrative and enforcement costs.

Article 28. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further actin by Town meeting, money from the state, federal or other governmental unity or a private source which becomes available furing the year, in accordance with RSA 31:95-b.

Article 29. To hear the reports of agents, auditors, committees, or any other officers heretofore chosen and pass any vote relating thereto.

INDEPENDENT AUDITOR'S REPORT

To the Members of
the Board of Selectmen
Town of Enfield
Enfield, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Enfield and the combining and individual fund financial statements of the Town as of and for the year ended December 31, 1989. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Enfield at December 31, 1989, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town at December 31, 1989, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

ENFIELD BUDGET COMMITTEE

The Budget Committee is composed of nine members appointed by the Moderator plus a member of the Board of Selectmen designated by said board. The committee operates under the provisions of the municipal budget law and under rules adopted by the Commissioner of Revenue Administration. The members are listed elsewhere in the Town Report.

The committee met eight times and held a public hearing in preparation for Town Meeting. Members attended regularly as is required and participated fully in decisions made in the course of the year. Relationships with the Town Administrator, the Selectmen, and Town Departments remain constructive and amicable.

As predicted, the tax rate for 1990 was down considerably from the previous year although direct comparison of the two years is difficult because of the revaluation of all property that was completed this year. It will be hard to match this rate in 1991 because of the exceptional surplus that was carried over and applied in 1990.

Franklyn W. Phillips, Chairman
Dwight Z. Marchetti, Vice Chairman

BUILDING INSPECTOR HEALTH OFFICER

Building permits were issued for 17 single family homes, 22 garages, 5 mobile homes, 22 additions, 26 renovations, 23 storage buildings, 25 decks, and 8 permits were renewed. The Public Utilities Commission issued 38 Energy Codes in the Town of Enfield.

My time has been divided into 268 hours for Building Inspector and 139 hours as Health Officer.

I have been working with many people in the State government, looking into water quality and health issues.

As Building Inspector for the Town, I am a member of the New Hampshire Building Officials Association. I have attended a workshop on 1990 National Electrical Code changes. I also attended a workshop on State Plumbing Code changes for 1990.

I started in late June as Building Inspector/Health Officer and I look forward to serving the citizens of Enfield.

Howard Adams

ENFIELD CONSERVATION COMMISSION

The year just past saw the Commission engaged in several initiatives for which we had time available due to the economic recession. Dredge and Fill applications were fewer, Notices of Intent to Cut (timber) totaled 22 for 697 acres, with 212 acres intended for development.

The Selectmen asked us to come up with a Class VI Road policy for their consideration. A subcommittee spent many hours on research, and after much debate, the entire Commission voted for one which was submitted in July.

The Wetlands Subcommittee increased our information base in both the physical and legal aspects. In 1991 some maps will be prepared, but the main areas of activity will be the research of candidate parcels of land for designation as prime wetlands, and public education through articles, pamphlets, workshops and personal contact.

The Trails Subcommittee now has the entire route of the Shaker Mountain Trail under contract except for the Smith Pond area. When and if the route is secured, volunteers will clear the trail and stabilize it one section at a time.

The Commission aims to be more available and helpful to the public, and to work more closely with the other boards and officers who have the care of the Town's natural resources in their keeping. We invite interest and ideas from the public, and competent assistance is always welcome. We can be reached through the Town Offices, and our regular meeting is 7:00 pm., the first Thursday of each month, at Whitney Hall.

In this, as in so many other needful tasks, thanks are due to the many volunteers who willingly sacrifice their personal leisure time for the good of their community. Civilization depends on this, for our common culture is the result of our selflessness. I have encountered many such people in this and many other institutions, and feel grateful and privileged to work with them.

Respectfully submitted,

Craig Sanborn

ENFIELD FAST SQUAD

Due to the fact that Enfield is a growing community, the Enfield Fast Squad had done a great deal of "running" this year. As of December 20th we had responded to 168 calls as well as unnumbered responses for stand by at fire scenes. In 1989 we responded to 145 runs and in 1982 we had 109 runs. Your need for us is certainly rising.

We were also kept quite busy with maintaining our certifications. This year 8 squad members re-certified. Our training sessions have included such topics as diabetic conditions, water rescue, trauma assessments and hypothermia. Raymond and Roger Dauphinais and Lencie Raynor attended a Hazardous Material seminar at Dartmouth to gain extra knowledge for the squad. Many of us also attended monthly critiques at Dartmouth Hitchcock Medical Center, as well as took part in a mock disaster drill in Hanover at CRREL.

The Enfield Fast Squad is also pleased to have supported the Drug-Free Mascoma High School Graduation Party and were on the scene again at the annual Field Hockey Jamboree held at the Mascoma High School playing field. You also had the opportunity to see us in the Old Home Day Parade and afterwards tour the ambulance at Huse Park. We also provided our own annual community CPR course in April.

Because of the "wanted" article in the Mascoma Messenger, at least 20 people have demonstrated interest in taking an E.M.T. course and joining our ranks. This year, even with the increase of runs, service was provided basically by nine VERY ACTIVE people.

Officers at this time are:

E.M.T.	Lencie V. Raynor, Pres.
E.M.T.	Roger Dauphinais, Vice-Pres.
E.M.T.	Pauline Laughlin, Sec.
E.M.T.	Charles Harrington, Treas.
E.M.T.	Richard Holmes, Training Officer

Other members include:

Jerry Bardwell, E.M.T. - P
Raymond Dauphinais, E.M.T.
Joel Levine, E.M.T.
John Markowitz, 1st Responder
Bruce Turner, E.M.T.

If you have any questions please contact ANY squad member or write Enfield Fast Squad, P.O. Box 345, Enfield, N.H., 03748.

Respectfully Submitted
Lencie V. Raynor, Pres.

E.F.S.

ENFIELD FIRE DEPARTMENT ANNUAL REPORT

Once again the Enfield Fire Department has had a very active year. The Department responded to a total of 105 calls in the following categories:

Alarm Activations.....	15
Car Accidents.....	10
Car Fires.....	17
Chimney Fires.....	11
Grass Fires.....	4
Mutual Aid.....	14
Structures.....	5
Misc.....	29

The annual yard sale held by the volunteer fire fighters raised approximately \$1,500 in 1990. The proceeds were used for partial payment of the rescue boat and an IBM computer system that will assist the department in maintaining various records. This system enables our department to be standardized with other departments nation wide. The department is currently researching the possibility of acquiring a modem that will allow the direct access to Chemtrac, an organization that assists departments in hazardous waste spills. We wish to extend our gratitude to all those who participated in this fund raising project.

The Enfield Center Fire Fighters took delivery of a new fire engine this year. The second engine should arrive at the Union Street Station in early March of 1991. The Union Street engine sports a five man enclosed cab, which will allow for greater safety and clearer communications.

Several fire fighters have completed the State of New Hampshire Level One Certification Course. One fire fighter has completed the State of New Hampshire Career Certification Course. These courses are essential to the department as they provide our volunteers with the information necessary to determine and utilize proper safety procedures as well as ventilation techniques and the most effective use of the equipment we possess.

Donald A. Crate
Fire Chief

HISTORICAL RECORDS

During 1990 there have been many requests for genealogical information, most of which I have been able to supply. The scrap books which Mrs. Nellie Pierce made have been kept up-to-date with current items.

There were many Finnish families in Enfield in the late 1800's and early 1900's, and I have started to collect information and photos about them.

Presently I am attempting to acquire photos of Enfield homes and other buildings, with whatever information known about their history. Any donations will be most welcome.

Respectfully submitted,

Jeanette Haarala
Town Historian

MUNICIPAL WATER AND SEWER DEPARTMENTS

WATER SYSTEM: The municipal water system, constructed in 1903 and partially renovated in 1983, is supplied by two main production wells: Prior I, rated at 70 gallons per minute and located off Lovejoy Brook Road, and Marsh well, rated at 45 gallons per minute and located off Moose Mountain Road in Canaan. A third well, Prior II, is used as a backup source and is rated at 32 gallons per minute. The old Harris Brook reservoir is used only as an emergency fire-fighting supply. Fresh water is stored for consumption and as a fire-fighting supply in a 500,000 gallon concrete tank located on Dry Bridge Hill. Approximately 12 miles of iron water main distribute drinking water to 1500-1600 persons through 437 service connections. No disinfection or other treatments have been required to date. The water is not fluoridated. Customers use approximately 76,500 gallons of water per day. The average water bill for a single family home is \$167.15 per year with an average consumption of 43,900 gallons.

SEWER SYSTEM: The municipal sewer system, placed on line in 1988, collects wastewater from 252 buildings in the Enfield Village area, 41 along Rt. 4A, and approximately 25 in the Lower Shaker Village development. The approximately 65,000 gallons per day of wastewater is then pumped by 4 lift stations to the City of Lebanon wastewater treatment plant which in turn discharges the treated effluent to the Connecticut River. The average sewer bill for a single family home is \$194.23 per year, based on an average discharge of 41,200 gallons per year.

WATER AND SEWER DEPARTMENT: Overall authority and responsibility for management of the water and sewer departments is vested in the Board of Selectmen. The departments have one full time employee, Tim Jennings, Superintendent; a part-time assistant, Richard Hall; a part-time accounts manager, Darla Taylor; and a part-time meter reader. The highway department provides excavating, trucking and labor services for emergency repairs.

FUTURE PLANS: A water system facilities study is in progress. The engineer, Whitman & Howard, Inc., Concord, will determine which improvements to the existing water system need to be done next, and which new water source option, to include conservation measures, would best serve the Town to alleviate the current water supply shortage and provide a reliable long-term supply. A new water and sewer rate structure is in the planning stages. A sewer system service area expansion master plan is under development with the help of Carron Engineering, Inc., White River Junction. The sewer system master plan will set forth the areas of Town which will be served with municipal sewers. The remaining capacity in the sewer system must be allocated in a fair and equitable manner and in the best interests of the Town.

ENFIELD PLANNING BOARD AND ZONING BOARD OF ADJUSTMENT

Since coming aboard in late September as your Planning/Zoning Administrator, I have been working very hard to familiarize myself with the present ordinances and RSA's that affect the ongoing activities within the Town.

There have been several controversial issues under discussion including subdivisions, Class VI Highway activities, home occupations, signs and fences. The Anderson Hill Subdivision is virtually complete, the Pinnacle Peak Sub-division is still under discussion, the Lakeview Condos are still causing concerns, and the Shaker Village Area has some new activity.

There have been about a dozen Major and Minor Sub-divisions approved, several Home Occupations have been considered and the Class VI Highway situation has not been resolved yet.

The proposed commercial activities along I-89 have raised many concerns of voters as well as Town Officials. Much remains to be considered in the near future.

With diligence by all and continued constructive directives from concerned citizens, we will continue to address all situations as they arise.

Francis V. Lombardi
Planning/Zoning Administrator

ENFIELD POLICE DEPARTMENT

The Enfield Police Department serves a population of 4,000 and an increased summer seasonal population enjoying our lakes and ponds. Our patrol area encompasses 42 square miles networked with nearly 100 miles of road. Three well traveled primary transverse the community. The department is authorized a staff of three officers managed by a chief and a sergeant. This staff is augmented by 4 part-time officers to provide 24 hour service to the town. Each officer is fully certified by the State of New Hampshire.

Most of our efforts are directed towards service type activities. Criminal activity is minimal considering the concentration of people and the number of transients in our area. Only 10 burglaries were reported during this report period of which 4 were cleared by arrest and conviction. The department did receive three federal grants for highway safety projects through the New Hampshire Highway Safety Agency. These grants provided federal funds to support additional RADAR speed enforcement and DWI enforcement. A third grant provided funds to purchase a giant RADAR speed display. These grant programs have had a tremendous impact on our attempts to maintain safe travel in Enfield.

The department continues to be ever vigilant to the illegal drug problem. Our endeavors incorporate both enforcement and educational efforts. We wish to acknowledge the outstanding efforts of Dr. Carr, Mr. Miller, and Mr. Stone in the placement of comprehensive drug education programs at all levels of our school system. Officer Richard A. Crate, Jr. and State Trooper James Mayers have been assigned as Dare (Drug Abuse Resistance Education) instructors. The primary emphasis of this program is to assist students in recognizing and resisting the pressures that influence them to experiment with drugs. Both officers are actively working in the classrooms and socializing with students during lunch periods at the school to implant the message of resistance to illegal drugs.

It is because of the later efforts coupled with the fact that we are a community of good citizens that our crime rate is so low. We like to say that we have the largest police department in the State as we really do have 4,000 people working together for the common good.

ENFIELD PUBLIC LIBRARY

Acquisition efforts this year, in addition to enhancing the general collection were directed toward strengthening the microfilm and reference collections. While the Library has a popular selection of books-on-tape an increased patron interest in videos has prompted a need to expand audio-visual offerings. Videos available for loan include PBS series, classic movies and a selection of titles of interest to children. More videos are planned for 1991.

The customary services and programs of previous years were continued in 1990. The summer storytime was expanded to include a monthly program. This was under the direction of Susan Mellow, Francine Lozeau and Rebecca Jennings who volunteered the countless hours needed to maintain a program of this type. The Library also received a Literacy Grant designed to be shared with other local libraries. The funds will be used primarily to provide much needed and often requested adult literacy and GED materials.

The library staff and patrons mourn the loss of Phyllis Goodwin who served on the Library Board of Trustees for fifteen years. Her dedication and interest in Library affairs will be missed by all.

Space requirements to meet present and anticipated use of the Library and its services is a current topic for the Library administration. Shelving and equipment have been added regularly to meet the demands of increased usage and an expanded collection. With the needed addition of more shelving in the non-fiction section there will be no space remaining for programming. The main section of the Library accommodates reference, circulation, administration, book processing, a portion of the adult collection and the juvenile collection. The juvenile area is also in need of more shelving for oversize books. Currently books are being stored on the floor. The planned installation of a reference stack will contribute to a cramped and awkward user traffic pattern. It is not premature or unrealistic to begin planning now for future community needs.

In closing, I would like to thank all who volunteered their time, donated books and made gifts to the Library. Your help and continued support is greatly appreciated.

Marjorie A. Carr
Librarian

REPORT OF THE TOWN CLOCK COMMITTEE (of one)

The following is perhaps the final report on Enfield's Town Clock. A short history seems in order. It begins with the purchase of a bell in 1879 and a four-faced clock to work with the bell the following year. These were placed in the tower of the Congregationalist Church at the corner of Rte. 4 and High Street. After several transfers of ownership, the clock became the property of William Lapan in 1972. Because of unclear ownership, the Town purchased the bell from Mr. Lapan. In 1985 Mr. Lapan notified the Town that he was no longer willing to assume the liability of the clock and the tower, in its unsafe condition.

At a public hearing that year, it was agreed that the citizens did not want to lose the clock and a committee was formed to investigate possible locations to re-establish the clock (the wooden tower was beyond repair). The chosen location was the watch tower on Whitney Hall. An evaluation was done and the results showed that the cost of \$80,000 for strengthening the tower area, to handle the weight of both the clock and the bell, far exceeded the funds available, (there was an anonymous donation of \$10,000, matched by Town Meeting vote in 1986, plus other donations -- current amount in the account is just over \$22,000).

With this discouraging news, the committee seemed to lose interest. In all fairness, there have been many other projects and causes (ie., police facility, zoning, property re-valuation, etc.) to command citizen attention. Because there hasn't been any evidence of an effort to establish the clock in a new location for many months, the larger contributors to the fund have requested the return of their donations. To avoid this event and to breath life into the project one more time, I am making a few last efforts.

I recently attended a meeting of the Enfield Historical Society. My message to the members was that this project really belonged to them, rather than a new-comer (I've only been here 30 years). I didn't feel the response to my request for support was any more positive than it had been to ads for volunteers in the past.

My final efforts include a contract with the Balzer Family Tower Clock Specialists of Freeport, Maine. The Selectmen have authorized \$200 to have this company send a representative to Enfield to view the components of the clock, the bell and the Whitney Hall tower. They will send the Town a written report with their analysis and recommendations. I have also made a commitment to drive to Phillips, Maine, to meet with a member of a committee that has recently purchased and established a clock in their church tower.

Once I have completed my self-assigned tasks, I will be looking for some interested citizens to move the project forward. If I haven't had a positive response by April 1st, I will give a final report to the Board of Selectmen and regretfully recommend that the Clock Committee be disbanded and the donations returned with our appreciation to the contributors.

Respectfully submitted,
Evelyn L. Palmer

GRAFTON COUNTY COMMISSIONERS 1990 REPORT

Fiscal year 1990 has been a year of change for Grafton County. The retirement of long-time County Administrator William Siegmund prompted the Commissioners to reorganize the overall administrative structure of the County. Top administrative positions now include the Executive Director, Nursing Home Administrator, Superintendent of Corrections, Farm Manager, and Superintendent of Maintenance. The reorganization has improved the efficiency and effectiveness of County operations without increasing costs.

The Sheriff's Department has also undergone a transition under the leadership of Sheriff Charles Barry. The Dispatch Center has been upgraded, courthouse security has been improved, and an expanded training program has been offered to help county and municipal law enforcement meet State requirements. The Department's work load has continued to grow, reflecting the increase in Superior Court cases.

As a first set in addressing space problems at the Grafton County Courthouse, the County legislative Delegation appropriated \$250,000 of surplus to construct administrative offices between the courthouse and nursing home. The Commissioners' Office moved into the new administrative building in early January, freeing additional space for the County Attorney's Office and the State Probation and Parole Office. Construction cost considerably less than that projected for an addition to the courthouse.

Fiscally, Grafton County continues to be very sound. Working together, the Commissioners and Legislative Delegation limited budget increased to 4.4%, from \$11.2 million in fiscal year 1990 to \$11.7 million for fiscal year 1991. We are especially pleased that the county tax actually decreased 5% from \$6.3 million in fiscal year 1990 to just \$6.0 million in fiscal year 1991. A budget surplus from the previous fiscal year plus increases in nursing home revenues and Sheriff's Department fees contributed to the tax decrease.

Nevertheless, property taxes continue to fund approximately half of the County budget, with the rest coming from a combination of State and federal monies and user fees. The Commissioners, through the New Hampshire Association of

Counties, continue to monitor State legislative proposals that would increase county costs, thereby increasing local property taxes. During the 1990 legislative session we were effective in averting attempts to increase th County share of Medicaid costs and eliminate the Medically Needy Program, which would have forced counties to absorb nursing home costs for medically needy residents or ask towns to provide general assistance.

During fiscal year 1990 Grafton County also distributed a total of \$78,836 in State Incentive Funds to programs that prevent out-of-home placements of troubled children and youth. Included were drug and alcohol abuse prevention programs, parenting skills workshops, parent aides, child care training and referrals, services to pregnant teens, and court diversion for first-time youthful offenders. The Commissioners also expanded the County-funded Youth and Family Mediation Program to provide services county-wide, adding the Plymouth center to those in Lebanon and Littleton. These efforts help limit county expenditures for court-ordered services to children and youth (\$611,462 in fiscal year 1990).

The Grafton County Board of Commissioners hold regular weekly meeting on Thursday at 9:30 am. at the Grafton County Commissioners Office Building. Every fourth Thursday afternoon the Commissioners also meet at the Nursing Home, House of Corrections and Farm, followed by a tour of each facility. All meetings are open to the public, and we encourage public and press attendance. Please feel free to contact th Commissioners: PO Box 108, Woodsville, NH 03785. Telephone (603) 787-6941.

In closing, we wish to express our appreciation to all staff members, elected officials, other agency personnel and the public for their efforts in serving the citizens of Grafton County.

Respectfully submitted,

Grafton County Commissioners

Betty Jo Taffe, Chairman (District 3)
Everett Grass, Vice Chairman (District 2)
Gerard Zeiller, Clerk (District 1)

HEADREST

*** 24-Hour Hotline**

In an emergency, someone is always available at Headrest to offer personal support and help to locate resources. Headrest's Hotline is certified by the American Association of Suicidology, and phone workers have special expertise in handling crises involving the use of alcohol or drugs. Hotline workers are trained to be understanding, listen carefully to the caller, and lend emotional support in a non-judgmental way.

*** Information & Referral**

People can call Headrest whenever they have a question or problem and are not sure where to turn. Headrest has information on local services, tenants' & consumers' rights, drugs & alcohol, legal assistance, counseling services, and support groups. Headrest has also been designated by ACoRN to be its contact point for information on AIDS issues.

*** Shelter for the Homeless**

Temporary lodging is offered to homeless people referred to Headrest by local police, hospitals, churches, and mental health centers. Also, supervised overnight lodging is available for intoxicated persons with funding from New Hampshire & Vermont Offices of Alcohol & Drug Abuse Prevention.

*** Alcohol & Drug Program**

Headrest offers information, educational presentations, plus individual and family counseling around substance abuse issues. Headrest is virtually the only free or low cost drug & alcohol counseling service in the Upper Valley.

*** Teenline**

Headrest's Teenline began operating in March, 1990. Teen volunteers who have completed the demanding Teenline training program are available three afternoons & evenings a week to take calls from their peers. Back-up at other times is provided by Headrest's 24-Hour Hotline. Great emphasis is put on helping teens concerned about their own and others' drug & alcohol problems, who may be depressed or suicidal, victims of abuse, and young people who may just be in need of a caring listener.

In 1990, 160 Enfield residents called Headrest's Hotline a total of 376 times, including 13 suicide calls.

HOSPICE OF THE UPPER VALLEY

Hope means to keep living
amid desperation
and to keep humming
in the darkness.

-- Henri Nouwen

Hospice of the Upper Valley helps people live as fully as possible in the face of death, illness, and grief. Hospice provides education programs and direct care services free of charge to 25 communities in VT and NH. During 1990:

SERVICE

Hospice helped 554 patients, families and friends in its four categories of service: ancillary medical support; bereavement care; short-term counseling; information and referral.

Twenty-five people from Enfield used our services (from a total of 412 people, excluding Information/Referral).

The care patients and families receive is overseen and guided by the Hospice Interdisciplinary Team, which includes at least one representative from the following professions: clergy, discharge planner, Hospice nurse, home health nurse, oncology nurse, physician, social worker, Hospice volunteer.

EDUCATION

Working in conjunction with a local AIDS action group, Hospice offered an AIDS buddy training for those interest in helping people with AIDS. Eight people complete the course making a total of seventeen buddies currently available.

Three Hospice volunteers live in Enfield.

PROGRAM

Hospice's major sources of income include memorial gifts, individual donations, and town support. We are not a United Way Agency.

In 1990, Enfield allocated \$525 towards our \$92,000 operating budget. For fiscal year 1991, we are requesting \$750 towards \$97,000 of anticipated expenses.

Hospice of the Upper Valley services are available free of charge. Call Hospice at (603) 448-5182 for further information.

MASCOMA HOME HEALTH SERVICES

We are pleased once again to have this opportunity to report on the work done by Mascoma Home Health Services this past year.

Services and programs have been developed to meet the needs as seen by the local population that we serve. To do this we plan care for each individual. It is this very individualized care that makes home care so satisfactory to those who need very highly skilled nursing care as well as to those who just need some help with daily tasks and everything in between so that they may remain in their homes.

The agency also offers a comprehensive child health program which includes a well child clinic, parenting support groups, and parent aides. All of these programs are to help young families care for themselves and their children in the most positive way possible.

Blood Pressure Screenings Clinics are available monthly at the Senior Center and a monthly Foot Care Clinic at the office on Main Street in Canaan. Anyone is welcome to come to the clinics or if you would like further information just give us a call. We are here for you.

This year the professional staff has made 7331 home visits in the Mascoma Valley. In the Town of Enfield 3026 visits were made to 308 individuals.

Thank you for the support you have given us. We look forward to working with you in the coming year.

Respectfully submitted,

Janet G. Knight
Executive Director

TOWN FOREST FIRE WARDEN & STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

FOREST FIRE STATISTICS - 1990

	STATE	DISTRICT	TOWN OF ENFIELD
Number of Fires	489	32	
Acres Burned	473	38	

Bryan C. Nowell, Forest Ranger
Donald Crate, Forest Fire Warden

UPPER VALLEY HOUSEHOLD HAZARDOUS WASTE COMMITTEE

The Upper Valley Household Hazardous Waste Committee held its seventh annual collection of household hazardous waste materials, May 5, 1990.

The 1989 annual collection served 280 households and no one had to be turned away. Last May, over 340 households were served with the help of a 20% increase in budget. When our funds were exhausted, the hauler had to close down, and about 100 cars were turned away. This increase in community participation shows that citizens are aware of the importance of keeping toxic materials out of landfills and are willing to support such a program with their own efforts.

The Committee receives the major portion of its financial support from regional landfills in the Upper Valley. In addition, contributions from local businesses and organizations, grants from the states of New Hampshire and Vermont, and on-site donations have made it possible for us to conduct seven successful annual Collection Days. However, each year costs increase for the disposal of the hazardous materials at out-of-state licensed facilities. This year, the Committee is looking for additional funds so that all residents who come to the site can be served.

The next Collection Day will be held May 4, 1991. Area residents are welcome.

Respectfully submitted,
Colin High, Chair

**TOWN MEETING MARCH 13, 1990
ENFIELD, NEW HAMPSHIRE**

Article 1.

The Moderator declared the following chosen by ballot:

Selectman for three years - Donald J. Crate
Town Clerk for three years - Ilene P. Reed
Treasurer for three years - Catherine A. Russi
Moderator for two years - William A. Warren
Supervisor of the Checklist for six years - Robert Hewitt
Trustee of Trust Funds for three years - John Goodwin
Auditor for one year - vacant
Fire Ward for three years - Donald A. Crate
Recreation Commission for three years - Theron O. Chase
Recreation Commission for two years - Vicki Pellerin
Recreation Commission for two years - Jane Smardon
Library Trustee for three years - Phyllis B. Goodwin

Amendment No. 1 - 551 YES, 545 NO. Adoption of Town Zoning Ordinance.

Optional Adjusted Elderly Exemption - 930 YES, 81 NO.
Adopted.

Article 2.

To see if the Town will vote to raise and appropriate the sum of two hundred and eighty-eight thousand dollars (\$288,000) for the construction and furnishings of a new Police Facilities Building and to fund such appropriation in the name of the Town by the issuance of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA 33) and amendments thereto. (2/3 paper ballot passage required). 268 YES, 183 NO. There were 451 ballots cast, 304 YES were needed for a two-thirds passage. Article 2 fails.

Article 3.

Passed as printed with a voice vote - To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, as provided under RSA 33.

Article 4.

Article 4 failed with a hand vote, 79 YES, 141 NO - To see if the Town will vote to raise and appropriate the sum of twenty-four thousand five hundred dollars (\$24,500) for the purpose of replacing the Town Beach building.

Article 5.

Article 5 passed as printed with a hand vote, 314 YES, 21 NO - To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to develop a solid waste management plan.

Article 6.

Article 6 failed with a hand vote, 61 YES, 216 NO - To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) for the construction of a hiking trail as proposed by the Conservation Commission.

Article 7.

Article 7 passed as printed with a hand vote - 229 YES, 18 NO - To see if the Town will vote to raise and appropriate the sum of \$278,142 for the following purposes: Fire Truck, Town Reappraisal, Cemetery Land Acquisition, Water Department Improvement, Municipal Buildings and Whitney Hall, and to authorize the withdrawal of this sum from the respective Capital Reserve Funds.

Article 8.

Article 8 passed as printed with a hand vote - 247 YES, 16 NO - To see if the Town will vote to accept the budget as recommended by the Budget Committee and vote to raise and appropriate the sum of \$2,220,968 for the purposes therein stated.

Article 9.

Article 9 passed as printed with a voice vote - Pursuant to a petition by ten (10) or more legal voters to adopt the provisions of RSA 72:28, V and VI for an optional veteran's exemption and an expanded qualifying war service for veterans seeking the exemption. The optional veteran's exemption is \$100 rather than \$50.

Article 10.

Article 10 passed as printed with a voice vote - Pursuant to a petition by ten (10) or more legal voters to adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability. The optional disability exemption is \$1,400 rather than \$700.

Article 11.

Article 11 passed as printed with a voice vote - To see if the Town will authorize the Enfield Planning Board to prepare and amend a recommended program of Municipal Capital Improvement Projects as provided by State Statutes RSA 674:5-8.

Article 12.

Article 12 passed as printed with a voice vote - To see if the Town will vote to adopt the proposed bylaw which will require waste haulers in the Town to set a lower rate for customers who sort and separate their solid waste for recycling purposes in the form which had been posted with the Warrant and made available on the date of the meeting (bylaw was printed).

Article 13.

Article 13 passed as printed with a voice vote - Pursuant to a petition of ten (10) or more legal voters to see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment".

Article 14.

Article 14 passed as printed with a voice vote - To see if the Town will vote to authorize the Selectmen to sell or lease any or all parcels of real estate acquired by the Town through Tax Collector's deed for non-payment of taxes, or any or all parcels not in public use; and to authorize the Board of Selectmen to execute and deliver in the name of the Town suitable deeds or leases of such real estate. The Selectmen may sell any real estate acquired by a Tax Collector's deed to the person whom the taxes were assessed, at private sale but all other sales shall be public sale to be advertised by suitable public notice.

Article 15.

Article 15 passed as printed with a voice vote - To see if the Town will vote to authorize the Selectmen to make application for and to receive and expend, in the name of the Town, such gifts, advances, grants-in-aid, Federal Revenue Sharing Funds, HUD, EDA, EPA, FHA, BOR, N.H. Highway Safety, or other funds for any Town purposes as may be forthcoming from the United States Government, The State of New Hampshire, or any other Federal, State or local agency or person.

Article 16.

Article 16 passed as printed with a voice vote - To see if the Town will vote to adopt amendments to the Sewer Ordinance proposed by the Board of Selectmen, as posted with the Town Warrant.

Article 17.

Article 17 passed as printed with a voice vote - To see if the Town will vote to eliminate the position of Town Auditor, effective after the 1991 regular Town Meeting, since the Town employs a Certified Public Accountant, as provided in RSA 41:31.

Article 18.

Article 18 passed as printed with a voice vote - To hear the reports of agents, auditors, committees, or any other officers heretofore chosen and pass any vote relating thereto.

The above is not a complete copy of the minutes of the March 13th, 1990 Town Meeting, but a record of the actual vote.

Carolee T. Higbee
Deputy Town Clerk
